MOTION BY SUPERVISOR DON KNABE

October 5, 2010

The Los Angeles County Board of Supervisors would like to proclaim October as Filipino American History Month in honor of Filipino Americans. Filipino Americans have made extensive contributions to American Society since the earliest documented proof of Filipino presence in the Continental United States in October 1587 when the first “Luzones Indios” set foot in Morro Bay, California. It is important that the achievements of Filipino Americans both civilian and military, be recognized because their accomplishments serve as models in the free world, and especially, for young people of Filipino ancestry. Furthermore, Filipino Americans serve the important American values of tolerance, diversity, and cultural and historical literacy.

I, THEREFORE, MOVE that the Board of Supervisors of the County of Los Angeles declares the month of October as Filipino American History Month in Los Angeles County and encourage constituents to celebrate and visit events that are recognizing the history of Filipino Americans.
